

What is a School-Parent Compact?

Our annual Home-School Compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

The parents, students, and staff worked together and shared ideas to develop the School-Parent Compact. During the day and after school, a Title 1 meeting is held each year to review and revise the compact based on the school's academic achievement goals and students' needs.
